

## **KOPSC Board Meeting April 29<sup>th</sup> 2009**

In attendance- Kevin Looby, Brenda Wickersham, Tom Dodds, Curt Minnich, Regina Goernemann, Tony Cortellessa and Steve Ryan (late)

### **Scholarship-**

New this year is to add the James Baxter Scholarship about \$1600.00 made in donations.

Danny Bevilacqua scholarship and James Baxter scholarship we had 9 applications from high school seniors.

First discussion was on how many scholarships will be issued this year. Points made were, do we have money, should we establish a set number for going forward, what should the amount given be. (Consider in the future students that choose to go to private schools)

The board voted 3 to 2 to issue a total of 4 scholarships –2 for James Baxter and 2 for Danny Bevilacqua. Tom Dodds agreed to present them at Ivy day.

### **Banners-**

Chariot Graphic has agreed not to change their price.

The board discussed whether to raise our prices.

The board agreed unanimously to leave banner sales at \$250.00 for new banners and \$200.00 for renewals.

### **Park and Rec**

Tom is asking for the club to purchase 4 goals for the 7,8 and 9 year olds to use. Estimated price \$1000.00 each. These teams will be playing 6 vs 6.

The board made no decision Tom will look for exact pricing. Brenda suggested checking with rep Briggs for funding

### **Tournament**

Kevin is moving forward with this. Cost this year is \$350.00 a team. Kevin is working on getting the UM School fields however we need to see if we can not sign the waiver. Brenda suggests individual waivers a re used in Lacrosse however we all thought that would be hard to pull off. Kevin is working on getting it posted on EPYSA and DELCO's websites.

## **Bob Case**

Board discussed recent game cancellation do to poor conditions

Board agreed on goal needs to be welded. Curt will work on getting this to the welder since they will not come to the goal.

Board agreed that the wrong size net is on a goal and will get this taken care of. Delco contacted Steve and he will approach Dan Russell at Pak and rec to see what they can do to help with field conditions. We are not the only ones using the fields.

Tony walked the field after the incident and said they could be used to play on. He stated they are in the same condition as Baxter fields were several years ago before we started being aggressive on maintaince.

## **Sprinklers**

Moyer has won the bid work should start in a couple weeks.

Steve will email each coach their roster and they are asked to call any one who did not sign up. So we as a club can register the correct number of teams.

### **Communion**

Steve is asking all coaches to relay what happens at our general meetings to their parents in hopes of keeping everyone informed. There was lots of discussion on this and why our minutes are not posted on the web site. Minutes can be posted they are not always typed, so they could possibly be scanned.

Coaches need to make sure they or a representative of their team is at every meeting. The requirement is in the constitution and the board will keep better track of who is attending and how often their team is not represented.

### **Registration**

Registration went well over 200 registered. Jim Roberts is attending DELCO meeting tonight and will have a report for us.

Steve encouraged calling players that did not register yet. We will schedule placement sessions to happen soon at the age levels that need them.

Question from Neil on where they will be, when and how will it be conducted. Where will need to be worked out do to sprinkle system being installed, when still to be determined as well as how many.

They will be conducted as stated in the constitution. Neil liked the session where they played on a full-sided field.

### **Bob Case**

We have one team playing spring soccer. This consist of 5 games no play offs.

Our home game was cancelled do to “poor conditions” The opposing team questioned the condition of the field. The ref called the game for the safety of the players on field conditions and incorrect goals. The board agreed we missed the goals and will fix them. The field is not just used by us so Steve will let Park and rec know what happened.

Neil requested the board to call opposing team and apologize in good faith. Steve agreed.

Neil will possibly relocate his next home game. Tony did say we could open one at Baxter for just one game.

### **Tournament**

Kevin is moving forward with this. Cost this year is \$350.00 a-team. Kevin is working on getting it posted on EPYSA and DELCO’s websites. Coaches are asked to reach to teams to enter.
